Headline:
Sunny intervals and snow showers.

Today:
Sunny intervals and occasional showers of snow or hail. Icy patches first thing but snow on roads soon melting as the sun comes up. Fresh northwesterly winds in north at first. A colder day once again. Maximum temperature 6 deg C (43 deg F).

Tonight:
Clear intervals and further snow showers, these mostly affecting the Isles and North Highland with some fresh accumulations in places. Becoming mainly dry in Great Glen and Speyside, but frosty. Minimum temperature -3 deg C (27 deg F).

Saturday:
A bright but cold day, with sunny spells and a few wintry showers, most of these in the northwest. A mainly clear and frosty night to follow. Maximum temperature 5 deg C (41 deg F).

Outlook for Sunday to Tuesday:
Sunny start on Sunday then showery rain preceded by snow spreading east. Less cold but showery on Monday and Tuesday.
